#### *A Life Well Lived*

A life well lived is a precious gift,  
of hope and strength and grace  
from someone who has made  
our world a brighter better place.

It's filled with moments sweet and sad,  
with smiles and sometimes tears,  
with friendships formed and good times shared;  
and laughter through the years.

A life well lived is a legacy of joy and pride and pleasure,  
a living, lasting memory our grateful hearts will treasure.
